DIRECTIONS TO THE PROPERTY FROM ANCONA AIRPORT

KM	Before leaving the car park, find out how to zero your counter so you can do this as you enter the ramp (below). Distances to nearest .5 kilometres
0	When you come out of the car hire car park, it is a one way system, and you need to turn to the RIGHT as you leave the car park. Follow the road and turn left immediately after you go under the flyover. This brings you back to the airport. Continue all the way round the first roundabout, and straight up ramp ahead – direction ROMA ZERO YOUR COUNTER NOW
1	First junction – bear right – ROMA FABRIANO BE CAREFUL – STOP AT THE END OF THE SLIP ROAD – IT IS VERY SHORT AND <u>NOT</u> A GIVE WAY Continue on this road (SS76) Pass Monsano Exit Pass Jesi Est
13	Exit JESI CENTRO AND FILOTTRANO At the bottom of the slip road, turn left, signpost FILOTTRANO
14	At the small roundabout, turn left, again following FILOTTRANO
18.5	A very sharp right hand turn – continue to follow FILOTTRANO
28	You will be just outside Filottrano, and there is a roundabout with a fountain (not always working). Take a very sharp right hand turn, signpost MACERATA. You will be following the walls of the town, which will be on your left.
28.5	Part way round the walls of the town, the road bends to the right, and then there is a right hand turn going steeply downhill signposted CINGOLI. Take this turn. You are turning OFF the main road at this point.
30.5	You should see a sign on the right hand side of the road to VERDE AZZURO (a large water park). The sign points to a left hand turning , where there are numerous posters on a high wall. Take this turning.
34.5	You reach a T junction. Turn right, still following VERDE AZZURO.
41.5	T junction – turn left signposted MACERATA.
50	On the right hand side of the road, you will see a sign showing a left hand road joining the main road, and immediately after this sign there is an unmade road on the RIGHT, with a blue sign saying C. DA MOIE. Take this road. This road is not in very good condition – so mind the pot holes!
51	Carry on along here, and pass the entrance on the right hand side to a long straight drive, leading to a large villa. Keep sharp left here.
51.5	Turn right – the road becomes tarmac just before this turning, and is the first proper turning.
52	Take the first left – down the hill. The road bends round to the right, and begins to go uphill. You will pass a couple of properties for restoration, and three houses on the right which are lived in.
	Go straight on – the next house on the left is SANTO STEFANO with a small lake in front.
